1. IDENTIFICATION OF THE SUBSTANCE/ MIXTURE AND THE COMPANY/UNDERTAKING

Methylene Blue, Chloride, Trihyd

For further manufacturing use only

Issuing Date: 8-Jan-1998

**Product Name:** 

Product Code: Recommend Use:

Synonyms:

Revision Date: 9-Nov-2011

| Tor further manufacturing use only                                              |

|-------------------------------------------|----------------------------------|--|
| Chemical Name:                            | Methylene Blue, Chloride, Trihyd |  |
| EC No.:                                   | EEC No. 200-515-2                |  |
| <b>REACH Reg. No.:</b>                    | Not Available                    |  |
| CAS No.:                                  | 7220-79-3                        |  |
| Weight %:                                 | 95 - 100                         |  |
| Classification:                           | -                                |  |

| 4. FIRST AID MEASURES |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| Eye Contact:          | Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician.           |
| Skin Contact:         | Wash off immediately with soap and plenty of water, removing all contaminated clothes and shoes. |
| Inhalation:           | Move to fresh air. If breathing is difficult, give oxygen.                                       |
| Ingestion:            | Clean mouth with water and afterwards drink plenty of water.                                     |
| Notes to Physician:   | Treat symptomatically.                                                                           |

## 5. FIRE FIGHTING MEASURES

| Not flammable                                                                                                                      |
|------------------------------------------------------------------------------------------------------------------------------------|
| Not determined                                                                                                                     |
| Dry chemical, CO <sub>2</sub> , water spray, regular foam                                                                          |
| Carbon oxides, Nitrogen oxides (NOx), Sulfur oxides,<br>Hydrogen chloride gas                                                      |
|                                                                                                                                    |
| Not sensitive                                                                                                                      |
| Not sensitive                                                                                                                      |
| As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equiv.) and full protective gear. |
|                                                                                                                                    |

### MATERIAL SAFETY DATA SHEET

| 6. ACCIDENTAL RELEASE MEASURES |                                                                                                                                                                                                                                                                                                                         |  |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Personal Precautions:          | Avoid contact with skin, eyes, and clothing. Use personal protective equipment. Ensure adequate ventilation.                                                                                                                                                                                                            |  |
| Methods for Containment:       | Prevent further leakage or spillage, if safe to do so.                                                                                                                                                                                                                                                                  |  |
| Methods for Cleaning Up:       | Avoid dust formation. Pick up and transfer to properly labeled containers. Ventilate area and wash spill site after material pickup is complete.                                                                                                                                                                        |  |
| 7. HANDLING AND STORAG         | E                                                                                                                                                                                                                                                                                                                       |  |
| Handling:                      | Handle in accordance with good industrial hygiene and safety practice. Hygroscopic.                                                                                                                                                                                                                                     |  |
| Storage:                       | Keep container tightly closed in a dry, cool, and well-ventilated place. Hygroscopic.                                                                                                                                                                                                                                   |  |

| Eye/Face Protection:           | Tight fitting safety goggles.                                                                                                                                                                                                                                                                                           |  |
| Skin & Body Protection:        | Wear protective gloves/clothing.                                                                                                                                                                                                                                                                                        |  |
| Respiratory Protection:        | If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations. |  |
| Hygiene Measures:              | Handle in accordance with good industrial hygiene and safety practice.                                                                                                                                                                                                                                                  |  |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance:                              | Iridescent green-black powder                                     |
|------------------------------------------|-------------------------------------------------------------------|
| Odor:                                    | No information available                                          |
| Odor Threshold:                          | No information available                                          |
| <b>Decomposition Temp.</b> °C:           | No information available                                          |
| Freezing Point:                          | No information available                                          |
| Initial Boiling Point:                   | No information available                                          |
| Physical State:                          | Powder                                                            |
| pH:                                      | No data available                                                 |
| Flash Point:                             | Not determined                                                    |
| Autoignition Temp. °C:                   | No data available                                                 |
| Boiling Point/Range:                     | No data available                                                 |
| Melting Point/Range:                     | No data available                                                 |
| Flammability Limits (Air):               | <u>Upper</u> -No data available * <u>Lower</u> -No data available |
| Explosion Limits                         | No information available                                          |
| Explosive Properties:                    | No information available                                          |
| Oxidizing Properties:                    | No information available                                          |
| Evaporation Rate:                        | No information available                                          |
| MMHG @ 37.8°C:                           | No data available                                                 |
| Vapor Density:                           | No data available                                                 |
| Specific Gravity:                        | No data available                                                 |
| Solubility:                              | No information available                                          |
| Partition Coefficient (n-octanol/water): | No data available                                                 |
| Viscosity:                               | No information available                                          |
|                                          |                                                                   |
